

Miller Lite Blue Lot Suite Entrance Routes

TAILGATING INFORMATION

The Houston Texans not only allow tailgating, we encourage it! We want Reliant Stadium to provide the finest tailgating experience in the NFL so we have established a few guidelines to make your tailgating party great.

- Tailgating will be allowed throughout the Reliant Park Complex excluding the lots directly adjacent to the stadium (the small lots between Reliant Stadium to Westridge).
- Parking lots will open 4 hours prior to kickoff, except for certain special games.
- Tailgating will be limited to the parking space and area directly behind each vehicle into the drive lane but we cannot allow tailgaters to block the vehicle traffic.
- RV's must purchase two parking spots and will be directed to park in the designated RV areas in each lot.
- Barbeques in tow must purchase two parking spots.
- Open flames are allowed but guests must extinguish their flames prior to entering the stadium.
- Please use the provided charcoal waste receptacles to dispose of your charcoal.
- Have fun, but most of all... Don't Mess with Tailgating!
- Each valid parking hang tag is valid for one eight by eighteen parking spot.
